If a Bond is subject by its terms to prior redemption and has been called for redemption and notice of redemption thereof has been duly given or waived as herein provided, such Bond (or the principal amount thereof to be redeemed) shall become due and payable, and interest thereon shall cease to accrue from and after the redemption date therefor, provided moneys sufficient for the payment of such Bonds (or of the principal amount thereof to be redeemed) at the then applicable redemption price are held for the purpose of such payment by the Paying Agent/Registrar.

**SECTION 6: REGISTRATION - TRANSFER - EXCHANGE OF BONDS - PREDECESSOR BONDS** The Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of each registered owner of the Bonds issued under and pursuant to the provisions of this Sixth Supplement. Any Bond may, in accordance with its terms and the terms hereof, be transferred or exchanged for Bonds of other authorized denominations upon the Security Register by the Holder, in person or by his duly authorized agent, upon surrender of such Bond to the Paying Agent/Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Paying Agent/Registrar.

Upon surrender for transfer of any Bond (other than the Initial Bond(s) authorized in Section 9 hereof) at the Designated Payment/Transfer Office of the Paying Agent/Registrar, the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Bonds, executed on behalf of, and furnished by, the City of authorized denominations and having the same Stated Maturity and of a like aggregate principal amount as the Bond or Bonds surrendered for transfer.

At the option of the Holder, Bonds (other than the Initial Bond(s) authorized in Section 9 hereof) may be exchanged for other Bonds of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and of like aggregate principal amount as the Bonds surrendered for exchange, upon surrender of the Bonds to be exchanged at the Designated Payment/Transfer Office of the Paying Agent/Registrar. Whenever any Bonds are surrendered for exchange, the Paying Agent/Registrar shall register and deliver new Bonds, executed on behalf of, and furnished by, the City to the Holder requesting the exchange.

All Bonds issued upon any transfer or exchange of Bonds shall be delivered at the Designated Payment/Transfer Office of the Paying Agent/Registrar, or sent by United States Mail, first class postage prepaid, to the Holder and, upon the delivery thereof, the same shall be valid obligations of the City, evidencing the same obligation to pay, and entitled to the same benefits under this Sixth Supplement, as the Bonds surrendered in such transfer or exchange.

All transfers or exchanges of Bonds pursuant to this Section shall be made without expense or service charge to the Holder, except as otherwise herein provided, and except that the Paying Agent/Registrar shall require payment by the Holder requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange.

Bonds canceled by reason of an exchange or transfer pursuant to the provisions hereof are hereby defined to be "Predecessor Bonds," evidencing all or a portion, as the case may be,

of the same obligation to pay evidenced by the Bond or Bonds registered and delivered in the exchange or transfer therefor. Additionally, the term "Predecessor Bonds" shall include any mutilated, lost, destroyed, or stolen Bond for which a replacement Bond has been issued, registered and delivered in lieu thereof pursuant to Section 19 hereof and such new replacement Bond shall be deemed to evidence the same obligation as the mutilated, lost, destroyed, or stolen Bond.

Neither the City nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption, in whole or in part, within 45 days of the date fixed for redemption of such Bond, provided, however, such limitation of transfer shall not be applicable to an exchange by the Holder of the unredeemed balance of a Bond called for redemption in part.

#### **SECTION 7: BOOK-ENTRY-ONLY TRANSFERS AND TRANSACTIONS.**

Notwithstanding the provisions contained in Sections 4, 5 and 6 hereof relating to the payment, redemption and transfer/exchange of the Bonds, the City hereby approves and authorizes the use of "Book-Entry-Only" securities clearance, settlement and transfer system provided by The Depository Trust Company (DTC), a limited purpose trust company organized under the laws of the State of New York, in accordance with the operational arrangements referenced in the Blanket Issuer Letter of Representation, by and between the City and DTC (the "Depository Agreement")

Pursuant to the Depository Agreement and the rules of DTC, the Bonds shall be deposited with DTC who shall hold said Bonds for its participants (the "DTC Participants"). While the Bonds are held by DTC under the Depository Agreement, the Holder of the Bonds on the Security Register for all purposes, including payment and notices, shall be Cede & Co., as nominee of DTC, notwithstanding the ownership of each actual purchaser or owner of each Bond (the "Beneficial Owners") being recorded in the records of DTC and DTC Participants.

In the event DTC determines to discontinue serving as securities depository for the Bonds or otherwise ceases to provide book entry clearance and settlement of securities transactions in general or the City determines that DTC is incapable of properly discharging its duties as securities depository for the Bonds, the City covenants and agrees with the Holders of the Bonds to cause Bonds to be printed in definitive form and provide for the Bond certificates to be issued and delivered to DTC Participants and Beneficial Owners, as the case may be. Thereafter, the Bonds in definitive form shall be assigned, transferred and exchanged on the Security Register maintained by the Paying Agent/Registrar and payment of such Bonds shall be made in accordance with the provisions of Sections 4, 5 and 6 hereof.

**SECTION 8: EXECUTION - REGISTRATION** The Bonds shall be executed on behalf of the City by the Mayor under its seal reproduced or impressed thereon and countersigned by the City Clerk. The signature of said officers on the Bonds may be manual or facsimile. Bonds bearing the manual or facsimile signatures of individuals who are or were the proper officers of the City on the Bond Date shall be deemed to be duly executed on behalf of the City, notwithstanding that such individuals or either of them shall cease to hold such offices at the time of delivery of the Bonds to the initial purchaser(s) and with respect to Bonds delivered in subsequent exchanges and transfers, all as authorized and provided in V.T.C.A., Government Code, Chapter 1201, as amended.

No Bond shall be entitled to any right or benefit under this Sixth Supplement, or be valid or obligatory for any purpose, unless there appears on such Bond either a certificate of

registration substantially in the form provided in Section 10(c), manually executed by the Comptroller of Public Accounts of the State of Texas or his or her duly authorized agent, or a certificate of registration substantially in the form provided in Section 10(d), manually executed by an authorized officer, employee or representative of the Paying Agent/Registrar, and either such certificate upon any Bond duly signed shall be conclusive evidence, and the only evidence, that such Bond has been duly certified, registered and delivered.

**SECTION 9: INITIAL BOND(S).** The Bonds shall be initially issued either (i) as a single fully registered bond in the total principal amount referenced in Section 2 hereof with principal installments to become due and payable as provided in Section 3 hereof and numbered T-1, or (ii) as multiple fully registered bonds, being one bond for each year of maturity in the applicable principal amount and denomination and to be numbered consecutively from T-1 and upward (hereinafter called the "Initial Bond(s)") and, in either case, the Initial Bond(s) shall be registered in the name of the initial purchaser(s) or the designee thereof. The Initial Bond(s) shall be the Bonds submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the initial purchaser(s). Any time after the delivery of the Initial Bond(s), the Paying Agent/Registrar, pursuant to written instructions from the initial purchaser(s), or the designee thereof, shall cancel the Initial Bond(s) delivered hereunder and exchange therefor definitive Bonds of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates for transfer and delivery to the Holders named at the addresses identified therefor, all pursuant to and in accordance with such written instructions from the initial purchaser(s), or the designee thereof, and such other information and documentation as the Paying Agent/Registrar may reasonably require.

\*maturity

The particular Term Bonds of a Stated Maturity to be redeemed on each redemption date shall be chosen by lot by the Paying Agent/Registrar; provided, however, that the principal amount of Term Bonds for a stated maturity required to be redeemed on a mandatory redemption date may be reduced, at the option of the City, by the principal amount of Term Bonds of like Stated Maturity which, at least 50 days prior to the mandatory redemption date, (1) shall have been acquired by the City at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation or (2) shall have been redeemed pursuant to the optional redemption provisions appearing below and not theretofore credited against a mandatory redemption requirement.

The Bonds maturing on and after November 15, 2017, may be redeemed prior to their Stated Maturities, at the option of the City, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity by lot by the Paying Agent/Registrar), on November 15, 2016, or on any date thereafter, at the redemption price of par plus accrued interest thereon to the redemption date.

At least thirty days prior to the date fixed for any redemption of Bonds, the City shall cause a written notice of such redemption to be sent by United States Mail, first class postage prepaid, to the registered owners of each Bond to be redeemed at the address shown on the Security Register and subject to the terms and provisions relating thereto contained in the Ordinances. If a Bond (or any portion of its principal sum) shall have been duly called for redemption and notice of such redemption duly given, then upon such redemption date such

Bond (or the portion of its principal sum to be redeemed) shall become due and payable, and interest thereon shall cease to accrue from and after the redemption date therefor, provided moneys for the payment of the redemption price and the interest on the principal amount to be redeemed to the date of redemption are held for the purpose of such payment by the Paying Agent/Registrar

If a Bond is selected for redemption, in whole or in part, the City and the Paying Agent/Registrar shall not be required to transfer such Bond to an assignee of the registered owner within 45 days of the redemption date therefor; provided, however, such limitation on transferability shall not be applicable to an exchange by the registered owner of the unredeemed balance of a Bond redeemed in part.

The Bonds are special obligations of the City payable solely from and, together with the Previously Issued Electric Utility Obligations and Prior Subordinate Lien Obligations currently Outstanding, equally and ratably secured by a parity lien on and pledge of, the Net Revenues of the Electric Utility System in the manner provided in the Ordinances. Additionally, the Bonds, together with the Previously Issued Electric Utility Obligations, shall be secured by a lien on the funds, if any, deposited to the credit of the Debt Service Fund and Reserve Fund in accordance with the terms of the Ordinances. The Bonds do not constitute a legal or equitable pledge, charge, lien or encumbrance upon any property of the City or the Electric Utility System, except with respect to the Net Revenues. The holder hereof shall never have the right to demand payment of this obligation out of any funds raised or to be raised by taxation.

Subject to satisfying the terms and conditions prescribed therefor, the City has reserved the right to issue additional revenue obligations payable from and equally and ratably secured by a parity lien on and pledge of the Net Revenues of the Electric Utility System, in the same manner and to the same extent as the Previously Issued Electric Utility Obligations and the Bonds.

Reference is hereby made to the Ordinances, copies of which are on file with the Paying Agent/Registrar, and to all of the provisions of which the Holder by the acceptance hereof hereby assents, for definitions of terms, the description of and the nature and extent of the security for the Bonds; the properties constituting the Electric Utility System; the Net Revenues pledged to the payment of the principal of and interest on the Bonds; the nature and extent and manner of enforcement of the lien and pledge securing the payment of the Bonds, the terms and conditions for the issuance of additional revenue obligations; the terms and conditions relating to the transfer or exchange of this Bond; the conditions upon which the Ordinances may be amended or supplemented with or without the consent of the Holders; the rights, duties, and obligations of the City and the Paying Agent/Registrar; the terms and provisions upon which the liens, pledges, charges and covenants made therein may be discharged at or prior to the maturity of this Bond, and this Bond deemed to be no longer Outstanding thereunder; and for the other terms and provisions contained therein. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.*

Principal installments of this Bond are payable in the year of maturity or on a redemption date to the registered owner hereof by Wells Fargo Bank, National Association (the "Paying Agent/Registrar"), upon presentation and surrender, at its designated offices in Minneapolis, Minnesota (the "Designated Payment/Transfer Office") Interest is payable to the registered owner of this Bond whose name appears on the "Security Register" maintained by the Paying Agent/Registrar at the close of business on the "Record Date", which is the last business day of the month next preceding each interest payment date and interest shall be paid by the Paying Agent/Registrar by check sent United States Mail, first class postage prepaid, to the address of registered owner recorded in the Security Register or by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the registered owner. All payments of principal of, premium, if any, and interest on this Bond shall be without exchange or collection charges to the owner hereof and in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

**SECTION 11: CRITERIA FOR ISSUANCE OF PARITY ELECTRIC UTILITY OBLIGATIONS.** The City has provided certain criteria and established certain covenants and agreements in relation to the issuance of Parity Electric Utility Obligations of the Electric Utility System pursuant to the Master Ordinance. This Sixth Supplement provides for the authorization, issuance, sale, delivery, form, characteristics, provisions of payment and redemption, and security of the Bonds which are a series of Parity Electric Utility Obligations. The Master Ordinance is incorporated herein by reference and made a part hereof for all purposes, except to the extent modified and supplemented by the Prior Supplements and this Sixth Supplement, and the Bonds are hereby declared to be Parity Electric Utility Obligations under the Master Ordinance and the Prior Supplements. The City hereby determines that it will have sufficient funds to meet the financial obligations of the Electric Utility System, including sufficient Net Revenues to pay the Annual Debt Service Requirements of the Bonds and to meet all financial obligations of the City relating to the Electric Utility System.

**SECTION 12: PLEDGE** Subject to the prior claim on and lien on the Net Revenues of the Electric Utility System to the payment and security of the Prior First Lien Obligations currently Outstanding, including the funding and maintenance of the special funds established and maintained for the payment and security of such Prior First Lien Obligations, the Net Revenues of the Electric Utility System are hereby pledged to the payment of the Bonds, and the Bonds, together with the Prior Subordinate Lien Obligations and the Previously Issued Electric Utility Obligations currently Outstanding, shall be equally and ratably secured by a parity lien on and pledge of the Net Revenues of the Electric Utility System in accordance with the terms of the Master Ordinance and this Sixth Supplement. Additionally, the Bonds and the Previously Issued Electric Utility Obligations shall be secured by a lien on the funds, if any, deposited to the credit of the Debt Service Fund and the Reserve Fund in accordance with and to the extent required by the terms of the Master Ordinance, the Prior Supplements and this Sixth Supplement. The Bonds are and will be secured by and payable only from the Net Revenues of the Electric Utility System, and are not secured by or payable from a mortgage or deed of trust on any properties, whether real, personal, or mixed, of the Electric Utility System. It is hereby ordained that the Parity Electric Utility Obligations, and the interest thereon, shall constitute a lien on the Net Revenues of the Electric Utility System and be valid and binding and fully perfected from and after the date of adoption of this Sixth Supplement without physical delivery or transfer or transfer of control of the Net Revenues, the filing of this Sixth Supplement or any other act, all as provided in Chapter 1208 of the Texas Government Code, as amended. The owners of the Parity Electric Utility Obligations shall never have the right to demand payment out of funds raised or to be raised by taxation, or from any source other than specified in the Master Ordinance, the Prior Supplements and this Sixth Supplement.

Chapter 1208, Government Code, as amended, applies to the issuance of the Bonds and the pledge of the Net Revenues of the Electric Utility System granted by the City under this Section 12, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Bonds are Outstanding such that the pledge of the Net Revenues of the Electric Utility System granted by the City under this Section 12 is to be subject to the filing

requirements of Chapter 9, Business & Commerce Code, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur

**SECTION 13: DEBT SERVICE FUND.** By reason of the issuance of the Bonds, the City need not establish any special accounts within the Debt Service Fund and, following the delivery of the Bonds, the City hereby agrees and covenants to cause to be deposited to the credit of the Debt Service Fund an amount equal to one hundred per cent (100%) of the amount required to fully pay the interest on and principal of the Bonds falling due on or before each maturity, mandatory redemption date and interest payment date, and such deposits shall be made in substantially equal monthly amounts on or before the 14th day of each month beginning on or before the 14th day of the month next following the month the Bonds are delivered to the initial purchaser

The required monthly deposits to the Debt Service Fund for the payment of principal of and interest on the Bonds shall continue to be made in the manner provided herein until such time as (i) the total amount on deposit in the Debt Service Fund is equal to the amount required to fully pay and discharge all Parity Electric Utility Obligations then Outstanding or (ii) the Bonds are no longer outstanding, i.e , fully paid as to principal and interest or all the Bonds have been refunded.

Accrued interest received from the initial purchaser(s) of the Bonds shall be deposited in the Debt Service Fund, and shall be taken into consideration and reduce the amount of the monthly deposits that would otherwise be required to be deposited to the credit of such Debt Service Fund from the Net Revenues of the Electric Utility System.

#### **SECTION 14: RESERVE FUND.**

(a) Establishment. A Reserve Fund shall not be required to be established or maintained by the City for the payment of the Parity Electric Utility Obligations so long as the "Pledged Net Revenues" of the System for a Fiscal Year (the Net Revenues of the System in a Fiscal Year remaining after deducting the amounts, if any, expended to pay the annual debt service requirements for Prior First Lien Obligations and Prior Subordinate Lien Obligations in such Fiscal Year) equal or exceed one hundred fifty per cent (150%) of the Annual Debt Service Requirements of the Parity Electric Utility Obligations due and payable in such Fiscal Year. If for any Fiscal Year such "Pledged Net Revenues" do not exceed 150% of the Annual Debt Service Requirements of the Parity Electric Utility Obligations, the City shall be obligated to establish and maintain on the books of the City a separate fund or account designated as the "Electric Utility System Revenue Obligation Reserve Fund" (the "Reserve Fund") Upon being established and except as provided in subsection (f) below, the amount on deposit to the credit of the Reserve Fund shall be maintained for the benefit of the owners of the Parity Electric Utility Obligations. There shall be deposited into the Reserve Fund any Reserve Fund Obligations so designated by the City. The amounts deposited to the credit of the Reserve Fund shall be in a special fund maintained at an official depository of the City Reserve Fund Obligations in the Reserve Fund shall be used for the purpose of retiring the last of the Parity Electric Utility Obligations as they become due or paying principal of and interest on the Parity Electric Utility Obligations when and to the extent the amounts in the Debt Service Fund are insufficient for such purpose

When a Reserve Fund is required to be established as noted above and while the same is required to be maintained, the Required Reserve Amount to be accumulated and maintained in such Fund shall be determined and redetermined as follows

(i) ten per cent (10%) of the Maximum Debt Service Requirement for all Parity Electric Utility Obligations then Outstanding if the Pledged Net Revenues for the previous Fiscal Year were less than 150% of the annual Debt Service Requirement for such Fiscal Year, but greater than or equal to 140% of the annual Debt Service Requirement for such Fiscal Year,

(ii) twenty per cent (20%) of the Maximum Debt Service Requirement for all Parity Electric Utility Obligations then Outstanding if the Pledged Net Revenues for the previous Fiscal Year were less than 140% of the annual Debt Service Requirement for such Fiscal Year, but greater than or equal to 130% of the annual Debt Service Requirement for such Fiscal Year;

(iii) thirty per cent (30%) of the Maximum Debt Service Requirement for all Parity Electric Utility Obligations then Outstanding if the Pledged Net Revenues for the previous Fiscal Year were less than 130% of the annual Debt Service Requirement for such Fiscal Year, but greater than or equal to 120% of the annual Debt Service Requirement for such Fiscal Year;

(iv) forty per cent (40%) of the Maximum Debt Service Requirement for all Parity Electric Utility Obligations then Outstanding if the Pledged Net Revenues for the previous Fiscal Year were less than 120% of the annual Debt Service Requirement for such Fiscal Year, but greater than or equal to 110% of the annual Debt Service Requirement for such Fiscal Year,

(v) fifty per cent (50%) of the Maximum Debt Service Requirement for all Parity Electric Utility Obligations then Outstanding if the Pledged Net Revenues for the previous Fiscal Year were less than 110% of the annual Debt Service Requirement for such Fiscal Year,

If at any time the City is required to fund the Required Reserve Amount, or to increase the Required Reserve Amount pursuant to a Supplement, the Required Reserve Amount or increase in the Required Reserve Amount, as applicable, may be funded in up to twelve (12) substantially equal consecutively monthly deposits commencing not later than the month following that receipt of audited financial statements for the System for the preceding Fiscal Year.

(b) Credit Facility. The City may initially fund the Reserve Fund or replace or substitute a Credit Facility for cash or Eligible Investments on deposit in the Reserve Fund or in substitution for or replacement of any existing Credit Facility. Upon such replacement or substitution, the cash or Eligible Investments on deposit in the Reserve Fund, taken together with the face amount of any existing Credit Facilities, in excess of the Required Reserve Amount may be withdrawn by the City, at its option, and transferred to the System Fund unless such excess was funded with the proceeds of sale of Parity Electric Utility Obligations in which case such excess shall be deposited to the credit of the Debt Service Fund; provided that the face amount of any Credit Facility may be reduced at the option of the City in lieu of such transfer

(c) Priority of Draws. If the City is required to make a withdrawal from the Reserve Fund for any of the purposes described in this Section, the City shall promptly notify the issuer of such Credit Facility of the necessity for a withdrawal from the Reserve Fund for any such purposes, and shall make such withdrawal FIRST from available moneys and cash resulting from the sale or liquidation of Eligible Investments then on deposit in the Reserve Fund, and NEXT from a drawing under any Credit Facility to the extent of such deficiency

In the event of a draw on a Credit Facility, the City shall reimburse the issuer of such Credit Facility for such draw, in accordance with the terms of any agreement pursuant to which the Credit Facility is issued, from Net Revenues, however, such reimbursement from Net Revenues shall be subject to the provisions of Section 14(d) below and shall be subordinate and junior in right of payment to the payment of principal of and premium, if any, and interest on the Parity Electric Utility Obligations.

(d) Reserve Amount Deficiency In the event of a deficiency in the Reserve Fund, or in the event that on the date of termination or expiration of any Credit Facility there is not on deposit in the Reserve Fund sufficient Reserve Fund Obligations, all in an aggregate amount at least equal to the Required Reserve Amount, then the City shall, subject to satisfying or making provision for the uses having a priority on the Gross Revenues before any deposits for the payment and security of the Parity Electric Utility Obligations and after making required deposits to the Debt Service Fund in accordance with the terms of this Sixth Supplement and any Supplement, cause the aggregate Required Reserve Amount then required to be on deposit in the Reserve Fund to be fully restored within 12 months from the date such deficiency, termination or expiration occurred by (i) making substantially equal cash deposits to the Reserve Fund on or before the last day of each month from the available Net Revenues, (ii) depositing Eligible Investments or Credit Facility to the credit of the Reserve Fund or (iii) a combination of (i) and (ii).

(e) Excess Required Reserve. As Parity Electric Utility Obligations secured by the Reserve Fund are paid, redeemed or defeased and cease to be Outstanding under the terms of the Master Ordinance or any Supplement, the Required Reserve Amount may be recalculated and redetermined, and any Reserve Fund Obligations on deposit in the Reserve Fund in excess of the Required Reserve Amount may be withdrawn and transferred, at the option of the City, to (i) the System Fund, if an amount equal to such excess was funded with Net Revenues, or (ii) the Debt Service Fund

(f) Application to Commercial Paper/Credit Agreements. For the purpose of this Section, the Reserve Fund shall not secure Parity Electric Utility Obligations issued in the form of commercial paper, or any Credit Agreement issued in support of such Parity Electric Utility Obligations issued in the form of commercial paper, except as otherwise may be provided in any Supplement.

**SECTION 15: PAYMENT OF BONDS.** On or before the first scheduled interest payment date, and on or before each interest payment date and principal payment date thereafter while any of the Bonds are Outstanding, the City shall cause an amount to be transferred to the Paying Agent/Registrar in immediately available funds from the Debt Service Fund sufficient to pay such interest on and such principal amount of the Bonds, as shall become due on such dates, respectively, at maturity or by redemption prior to maturity. The Paying Agent/Registrar shall destroy all paid Bonds and furnish the City with an appropriate certificate of cancellation or destruction

## **SECTION 16: COVENANTS TO MAINTAIN TAX EXEMPT STATUS**

(a) Definitions. When used in this Section, the following terms have the following meanings:

"Closing Date" means the date on which the Bonds are first authenticated and delivered to the Underwriters against payment therefor.

"Code" means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date

"Computation Date" has the meaning set forth in Section 1 148-1(b) of the Regulations

"Gross Proceeds" means any proceeds as defined in Section 1 148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1 148 1(c) of the Regulations, of the Bonds

"Investment" has the meaning set forth in Section 1 148-1(b) of the Regulations

"Nonpurpose Investment" means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds

"Rebate Amount" has the meaning set forth in Section 1 148-1(b) of the Regulations

"Regulations" means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced

"Yield" of (1) any Investment has the meaning set forth in Section 1 148-5 of the Regulations and (2) the Bonds has the meaning set forth in Section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the City shall comply with each of the specific covenants in this Section

(c) No Private Use or Private Payments. Except as permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Bonds.

(1) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds (including property financed with Gross Proceeds of the Refunded Bonds), and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public, and

(2) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds (including property financed with Gross Proceeds of the Refunded Bonds), other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan Except to the extent permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be "loaned" to a person or entity if (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take or pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan

(e) Not to Invest at Higher Yield Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested), if as a result of such investment the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Bonds

(f) Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report The City shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder:

(1) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last Outstanding Bond is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Bonds with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(2) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

(3) As additional consideration for the purchase of the Bonds by the Underwriters and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall pay to the United States out of the Debt Service Fund or its general fund, as permitted by applicable Texas statute, regulation or opinion of the Attorney General of the State of Texas, the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date, and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(4) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have

resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(j) Elections The City hereby directs and authorizes the Mayor, City Manager, Chief Financial Officer or City Treasurer, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Bonds, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document.

(k) Bonds Not Hedge Bonds (1) At the time the original obligations refunded by the Bonds were issued, the City reasonably expected to spend at least 85% of the spendable proceeds of such original obligations within three years after such obligations were issued and (2) not more than 50% of the proceeds of the original obligations refunded by the Bonds were invested in Nonpurpose Investments having a substantially guaranteed Yield for a period of 4 years or more

(l) Current Refunding. The payment and discharge of the Series 1996A Refunded Bonds will occur within ninety (90) days after the issuance of the Bonds and, therefore, the Bonds are a current refunding of the Series 1996A Refunded Bonds.

(m) Qualified Advance Refunding. The Bonds are issued to refund the Series 2001 Refunded Bonds, and the Bonds will be issued more than 90 days before the redemption of the Series 2001 Refunded Bonds. The City represents as follows

(1) The Bonds are the first advance refunding of the Series 2001 Refunded Bonds, within the meaning of section 149(d)(3) of the Code.

(2) The Series 2001 Refunded Bonds are being called for redemption, and will be redeemed not later than the earliest date on which such bonds may be redeemed.

(3) The initial temporary period under section 148(c) of the Code will end (i) with respect to the proceeds of the Bonds not later than 30 days after the date of issue of such Bonds; and (ii) with respect to proceeds of the Series 2001 Refunded Bonds on the Closing Date if not ended prior thereto.

(4) On and after the date of issue of the Bonds, no proceeds of the Series 2001 Refunded Bonds will be invested in Nonpurpose Investments having a Yield in excess of the Yield on such Series 2001 Refunded Bonds.

(5) The Bonds are being issued for the purposes stated in the preamble of this Sixth Supplement. There is a present value savings associated with the refunding. In the issuance of the Bonds the City has neither: (i) overburdened the tax exempt bond market by issuing more bonds, issuing bonds earlier or allowing bonds to remain outstanding longer than reasonably necessary to accomplish the governmental purposes for which the Bonds were issued; (ii) employed on "abusive arbitrage device" within the meaning of Section 1.148-10(a) of the Regulations; nor (iii) employed a "device" to obtain a material financial advantage based on arbitrage, within the meaning of section 149(d)(4) of the Code, apart from savings attributable to lower interest rates and reduced debt service payments in early years

## **SECTION 17: AMENDMENT OF SIXTH SUPPLEMENT.**

(a) Required Owner Consent for Amendments. The owners of a majority in Outstanding Principal Amount of the Bonds shall have the right from time to time to approve any amendment to this Sixth Supplement which may be deemed necessary or desirable by the City; provided, however, nothing contained herein shall permit or be construed to permit the amendment of the terms and conditions in this Sixth Supplement so as to

- (1) Make any change in the maturity of any of the Outstanding Bonds;
- (2) Reduce the rate of interest borne by any of the Outstanding Bonds;
- (3) Reduce the amount of the principal payable on the Bonds,
- (4) Modify the terms of payment of principal of, premium, if any, or interest on the Outstanding Bonds or impose any conditions with respect to such payment;
- (5) Affect the rights of the owners of less than all of the Bonds then Outstanding,
- (6) Amend this subsection (a) of this Section, or
- (7) Change the minimum percentage of the principal amount of Bonds necessary for consent to any amendment,

unless such amendment or amendments be approved by the owners of all of the Bonds affected by the change or amendment then Outstanding.

(b) Notice of Amendment Requiring Consent. If at any time the City shall desire to amend the Sixth Supplement under this Section, the City shall cause notice of the proposed amendment to be published in a financial newspaper or journal published in The City of New York, New York, and a newspaper of general circulation in the City, once during each calendar week for at least two successive calendar weeks. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy thereof is on file with the Paying Agent for the Bonds. Such publication is not required, however, if notice in writing is given by mail, first class postage prepaid, to each owner of the Bonds.

(c) Time Period for Obtaining Consent. If within one year from (i) the date of the first publication of said notice or (ii) the date of the mailing by the Paying Agent of written notice to the owners of the Bonds, whichever date first occurs if both methods of giving notice are used, the City shall receive an instrument or instruments executed by the owners of at least a majority in Outstanding Principal Amount of the Bonds consenting to and approving such amendment in substantially the form of the copy thereof on file with each Paying Agent, the governing body of the City may pass the amendatory ordinance in substantially the same form.

(d) Revocation of Consent. Any consent given by the owner of a Bond pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date for measuring the one year period to obtain consents noted in paragraph (c) above, and shall be conclusive and binding upon all future owners of the same Bonds during such period. At any time after six months from the date for measuring the one year period to obtain consents noted in paragraph (c) above, such consent may be revoked by the owner who gave such consent, or by a successor in title, by filing written notice thereof with the Paying Agent for such Bonds and the City, but such revocation shall not be effective if the owners of at least a majority in Outstanding Principal Amount of the then Outstanding Bonds as determined in accordance with this Section have, prior to the attempted revocation, consented to and approved the amendment.

(e) Implementation of Amendment. Upon the passage of any amendatory ordinance pursuant to the provisions of this Section, this Sixth Supplement shall be deemed to be amended, and the respective rights, duties and obligations of the City under this Sixth Supplement and all the owners of then Outstanding Bonds shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such amendment.

(f) Amendment without Consent. The foregoing provisions of this Section notwithstanding, the City by action of its governing body may amend this Sixth Supplement for any one or more of the following purposes

(1) To vest the management and control of the Electric Utility System in an independent board of trustees or similar board pursuant to authority conferred by V.T.C.A., Government Code, Section 1502.070 et seq or other law now or hereafter enacted;

(2) To add to the covenants and agreements of the City in this Sixth Supplement contained, other covenants and agreements thereafter to be observed, grant additional rights or remedies to the owners of the Bonds or to surrender, restrict or limit any right or power herein reserved to or conferred upon the City,

(3) To make such provisions for the purpose of curing any ambiguity, or curing, correcting or supplementing any defective provision contained in this Sixth Supplement, or in regard to clarifying matters or questions arising under this Sixth Supplement, as are necessary or desirable and not contrary to or inconsistent with this Sixth Supplement and which shall not adversely affect the interests of the owners of the Bonds then Outstanding;

(4) To modify any of the provisions of this Sixth Supplement in any other respect whatever, provided that such modification shall be, and be expressed to be, effective only after all the Bonds Outstanding at the date of the adoption of such modification shall cease to be Outstanding,

(5) To make such amendments to this Sixth Supplement as may be required, in the opinion of Bond Counsel, to ensure compliance with sections 103 and 141 through 150 of the Code and the regulations promulgated thereunder and applicable thereto,

(6) To make such changes, modifications or amendments as may be necessary or desirable in order to allow the owners of the Bonds to thereafter avail themselves of a book entry system for payments, transfers and other matters relating to the Bonds, which changes, modifications or amendments are not contrary to or inconsistent with other provisions of this Sixth Supplement and which shall not adversely affect the interests of the owners of the Bonds,

(7) To make such changes, modifications or amendments as may be necessary or desirable in order to obtain or maintain the granting of a rating on the Bonds by a Rating Agency or to obtain or maintain a Credit Agreement or a Credit Facility, and

(8) To make such changes, modifications or amendments as may be necessary or desirable, which shall not adversely affect the interests of the owners of the Bonds, in order, to the extent permitted by law, to facilitate the economic and practical utilization of interest rate swap agreements, foreign currency exchange agreements, or similar types of agreements with respect to the Bonds. Notice of any such amendment may be published by the City in the manner described in clause (b) of this Section, provided, however, that the publication of such notice shall not constitute a condition precedent to the adoption of such amendatory ordinance and the failure to publish such notice shall not adversely affect the implementation of such amendment as adopted pursuant to such amendatory ordinance.

(g) Ownership For the purpose of this Section, the ownership and other matters relating to all Bonds shall be established by the Security Register maintained by the Paying Agent. Furthermore, the owner of any Bonds insured as to the payment of principal of and interest thereon shall be deemed to be the insurance company providing the insurance coverage on such Bonds; provided such amendment to this Sixth Supplement is an amendment that can be made with the consent of a majority in Outstanding Principal Amount of the Bonds and such insurance company is not in default with respect to its obligations under its insurance policy

**SECTION 18: FINAL DEPOSITS; GOVERNMENTAL OBLIGATIONS** All or any of the Bonds shall be deemed to be paid, retired and no longer Outstanding within the meaning of this Sixth Supplement when payment of the principal of such Bonds, redemption premium, if any, on such Bonds, plus interest thereon to the due date thereof (whether such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof (including the giving of any required notice of redemption), or (ii) shall have been provided by irrevocably depositing with, or making available to, the Paying Agent/Registrar, in trust and irrevocably set aside exclusively for such payment, (1) money sufficient to make such payment or (2) Government Obligations, certified by an independent public accounting firm of national reputation, to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money to make such payment, and all necessary and proper fees, compensation and expenses of the Paying Agent/Registrar with respect to which such deposit is made shall have been paid or the payment thereof provided for the satisfaction of the Paying Agent/Registrar. At such time as a Bond shall be deemed to be paid hereunder, as aforesaid, it shall no longer be secured by or entitled to the benefit of this Sixth Supplement, the Master Ordinance or a lien on and pledge of the Net Revenues of the Electric Utility System, and shall be entitled to payment solely from such money or Government Obligations

Any moneys so deposited with the Paying Agent/Registrar, or an authorized escrow agent, may at the direction of the City also be invested in Government Obligations, maturing in the amounts and at the times as hereinbefore set forth, and all income from all Government Obligations not required for the payment of the Bonds, and interest thereon, with respect to which such money has been so deposited, shall be turned over to the City or deposited as directed by the City. The City covenants that no deposit will be made or accepted under clause (ii) of this Section and no use made of any such deposit which would cause the Bonds to be treated as arbitrage bonds within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended.

Notwithstanding any other provisions of this Sixth Supplement, all money or Government Obligations set aside and held in trust pursuant to the provisions of this Section for the payment of the Bonds, the redemption premium, if any, and interest thereon, shall be applied to and used for the payment of such Bonds, the redemption premium, if any, and interest thereon and the income on such money or Government Obligations shall not be considered to be "Gross Revenues" under this Sixth Supplement.

**SECTION 19: DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED BONDS**

In the event any Outstanding Bond is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new bond of the same principal amount, maturity, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for such Bond in the manner hereinafter provided. An application for the replacement of damaged, mutilated, lost, stolen, or destroyed Bonds shall be made to the Paying Agent/Registrar. In every case of loss, theft, or destruction of a Bond, the applicant for a replacement bond shall furnish to the City and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft, or destruction of a Bond, the applicant shall furnish to the City and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft, or destruction of such Bond, as the case may be. In every case of damage or mutilation of a Bond, the applicant shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated. Prior to the issuance of any replacement bond, the Paying Agent/Registrar shall charge the owner of such Bond with all legal, printing, and other expenses in connection therewith. Every replacement bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen, or destroyed shall constitute a contractual obligation of the City whether or not the lost, stolen, or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Sixth Supplement equally and proportionately with any and all other Bonds duly issued under this Sixth Supplement.

Notwithstanding the foregoing provisions of this Section, in the event any such Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of, redemption premium, if any, or interest on the Bond, the City may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or indemnity is furnished as above provided in this Section. Furthermore, in accordance with V.T.C.A., Government Code, Section 1206.022, this Section shall constitute authority for the issuance of any such replacement bond without necessity of further action by the governing body of the City or any other body or person, and the duty of the replacement of such bonds is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such bonds in the form and manner and with the effect, as provided in Section 6 of this Sixth Supplement for Bonds issued in exchange for other Bonds.

**SECTION 20: SIXTH SUPPLEMENT TO CONSTITUTE A CONTRACT; EQUAL SECURITY**

In consideration of the acceptance of the Bonds, the issuance of which is authorized hereunder, by those who shall hold the same from time to time, this Sixth Supplement shall be deemed to be and shall constitute a contract between the City and the Holders from time to time of the Bonds and the pledge made in this Sixth Supplement by the City and the covenants and agreements set forth in this Sixth Supplement to be performed by the City shall be for the equal and proportionate benefit, security, and protection of all Holders, without preference, priority, or distinction as to security or otherwise of any of the Bonds authorized hereunder over any of the others by reason of time of issuance, sale, or maturity.

The provisions of this Section are for the sole benefit of the Holders and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the City's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Sixth Supplement that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (b) a Person that is unaffiliated with the City (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Holders and beneficial owners of the Bonds. The provisions of this Section may also be amended from time to time or repealed by the City if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction determines that such provisions are invalid, but only if and to the extent that reservation of the City's right to do so would not prevent underwriters of the initial public offering of the Bonds from lawfully purchasing or selling Bonds in such offering. (2) Nothing in this Sixth Supplement express or implied is intended or shall be construed to confer upon, or to give or grant to, any person or entity, other than the City, the Paying Agent/Registrar and Ambac and the registered owners of the Bonds, any right, remedy or claim under or by reason of this Sixth Supplement or any covenant, condition or stipulation hereof, and all covenants, stipulations, promises and agreements in this Sixth Supplement contained by and on behalf of the City shall be the sole and exclusive benefit of the City, the Paying Agent/Registrar, Ambac and the registered owners of the Bonds.

(f) Concerning the Bond Insurance Policy (A) As long as insurance for the Bonds shall be in full force and effect, the City agrees to comply with the following provisions.

(1) at least one (1) business day prior to all interest payment dates, the Paying Agent/Registrar shall determine whether there will be sufficient funds in the Debt Service Fund to pay the principal of and interest on the Bonds on such interest payment date. If the Paying Agent/Registrar determines that there will be insufficient funds in the Debt Service Fund, the Paying Agent/Registrar shall notify Ambac. Such notice shall specify the amount of the anticipated deficiency, the Bonds to which such deficiency is applicable and whether such Bonds will be deficient as to principal or interest, or both. If the Paying Agent/Registrar has not so notified Ambac at least one (1) business day prior to an interest payment date, Ambac will make payments of principal of or interest due on the Bonds on or before the first (1st) business day next following the date on which Ambac shall have received notice of nonpayment from the Paying Agent/Registrar.

(2) The Paying Agent/Registrar shall, after giving notice to Ambac as provided in paragraph (1) above, make available to Ambac and, at Ambac's direction, to The Bank of New York, in New York, New York, as insurance trustee for Ambac or any successor insurance trustee (the "Insurance Trustee"), the registration books of the City maintained by the Paying Agent/Registrar and all

records relating to the funds and accounts maintained under this Sixth Supplement

(3) The Paying Agent/Registrar shall provide Ambac and the Insurance Trustee with a list of registered owners of the Bonds entitled to receive principal or interest payments from Ambac under the terms of the Financial Guaranty Insurance Policy, and shall make arrangements with the Insurance Trustee (i) to mail checks or drafts to the registered owners of Bonds entitled to receive full or partial interest payments from Ambac and (ii) to pay principal upon Bonds surrendered to the Insurance Trustee by the registered owners of Bonds entitled to receive full or partial principal payments from Ambac

(4) The Paying Agent/Registrar shall, at the time it provides notice to Ambac pursuant to paragraph (1) above, notify registered owners of the Bonds entitled to receive payment of principal or interest thereon from Ambac (i) as to the fact of such entitlement, (ii) that Ambac will remit to them all or a part of the interest payments next coming due upon proof of Holder entitlement to interest payments and delivery to the Insurance Trustee, in form satisfactory to the Insurance Trustee, of an appropriate assignment of the registered owner's right to payment, (iii) that should they be entitled to receive full payment of principal from Ambac, they must surrender their Bonds (along with an appropriate instrument of assignment in form satisfactory to the Insurance Trustee to permit ownership of such Bonds to be registered in the name of Ambac) for payment to the Insurance Trustee, and not the Paying Agent/Registrar, and (iv) that should they be entitled to receive partial payment of principal from Ambac, they must surrender this Bonds for payment thereon first to the Paying Agent/Registrar, who shall note on such Bonds the portion of the principal paid by the Paying Agent/Registrar and then, along with an appropriate instrument of assignment in form satisfactory to the Insurance Trustee, to the Insurance Trustee, which will then pay the unpaid portion of principal.

(5) In the event that the Paying Agent/Registrar has notice that any payment of principal of or interest on a Bond which has become due for payment and which is made to a Holder by or on behalf of the City has been deemed a preferential transfer and theretofore recovered from its registered owner pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with the final, nonappealable order of a court having competent jurisdiction, the Paying Agent/Registrar shall, at the time Ambac is notified pursuant to paragraph (1) above, notify all registered owners that in the event that any registered owner's payment is so recovered, such registered owner will be entitled to payment from Ambac to the extent of such recovery if sufficient funds are not otherwise available, and the Paying Agent/Registrar shall furnish to Ambac its records evidencing the payments of principal of and interest on the Bonds which have been made by the Paying Agent/Registrar and subsequently recovered from registered owners and the date on which such payments were made

(6) In addition to those rights grant Ambac under this Sixth Supplement, Ambac shall, to the extent it makes a payment of principal of or interest on Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Financial Guaranty Insurance Policy, and to evidence such subrogation (i) in the case of subrogation as to

claims for past due interest, the City shall cause the Paying Agent/Registrar to note Ambac's rights as subrogee on the registration books of the City maintained by the Paying Agent/Registrar upon receipt from Ambac of proof of the payment of interest thereon to the registered owners of the Bonds, and (ii) in the case of subrogation as to claims for past due principal, the City shall cause the Paying Agent/Registrar to note Ambac's rights as subrogee on the registration books of the City maintained by the Paying Agent/ Registrar upon surrender of the Bonds by the registered owners thereof together with proof of the payment of principal thereof

(B) The City hereby covenants and agrees that it shall reimburse Ambac for any amounts paid under the Policy and all costs of collection thereof and enforcement of this Sixth Supplement and any other documents executed in connection with this Sixth Supplement, together with interest thereon, from the date paid or incurred by Ambac until payment thereof in full by the City, payable at the Insurer Payment Rate (as hereinafter defined), including without limitation (to the extent permitted by applicable law) interest on claims paid by Ambac in respect of interest on the Bonds. Such payment obligations shall be payable on demand and on a parity with, and from the same sources and secured by the same security as, regularly scheduled principal and interest payments in respect of the Bonds. For purposes of the foregoing, "Insurer Payment Rate" shall mean the lesser of (i) the maximum rate permissible under applicable usury or similar laws limiting interest rates and (ii) the greater of (a) the then applicable highest rate of interest on the Bonds and (b) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank, N A ("Chase") at its principal office in the City of New York, as its prime or base lending rate ("Prime Rate") (any change in such Prime Rate to be effective on the date such change is announced by Chase) plus 3 percent. The Insurer Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. In the event that Chase ceases to announce its Prime Rate publicly, Prime Rate shall be the publicly announced prime or base rate of such national bank as Ambac shall specify

Ambac shall, to the extent it makes a payment of principal of or interest on Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Policy, and to evidence such subrogation (i) in the case of subrogation as to claims for past due interest, the City shall cause the Paying Agent/Registrar to note Ambac's rights as subrogee on the registration books of the City maintained by the Paying Agent/Registrar upon receipt from Ambac of proof of the payment of interest thereon to the registered owners of the Bonds, and (ii) in the case of subrogation as to claims for past due principal, the City shall cause the Paying Agent/Registrar to note Ambac's rights as subrogee on the registration books of the City maintained by the Paying Agent/ Registrar upon surrender of the Bonds by the registered owners thereof together with proof of the payment of principal thereof.

(g) Ambac as Third Party Beneficiary. To the extent that this Ordinance confers upon or gives or grants to Ambac any right, remedy or claim under or by reason of this Ordinance, Ambac is hereby explicitly recognized as being a third-party beneficiary hereunder and may enforce any such right, remedy or claim conferred, given or granted hereunder.

(h) Paying Agent/Registrar Related Provisions

(1) Ambac shall receive prior written notice of any Paying Agent/Registrar resignation

(2) Every successor Paying Agent/Registrar shall not be appointed unless Ambac approves such successor in writing.

(3) Notwithstanding any other provision of this Sixth Supplement, in determining whether the rights of the Holders will be adversely affected by any action taken pursuant to the terms and provisions of this Sixth Supplement, the Paying Agent/Registrar shall consider the effect on the Holders as if there were no Financial Guaranty Insurance Policy

(4) Notwithstanding any other provisions of this Sixth Supplement, no removal, resignation or termination of the Paying Agent/Registrar shall take effect until a successor, acceptable to Ambac, shall be appointed.
